Dear Hiring Manager,

I am excited to apply for this opportunity that is available. As an Advertising and Graphic Design student, I enjoy creating thoughtful, visually engaging work that solves problems and communicates ideas clearly. I am eager to continue developing my creative and technical skills while contributing to a collaborative team environment.

Through my professional experience supporting daily operations in an office setting, I developed strong organizational skills, attention to detail, and the ability to manage multiple tasks efficiently. Maintaining digital files, coordinating information, and ensuring accuracy strengthened my ability to approach projects with structure and clarity, which are essential skills in design.

I have also gained hands-on experience creating visual content using Adobe Creative Cloud. My work has focused on typography, layout, image editing, and maintaining consistent visual identity across projects. I enjoy exploring how design choices such as color, spacing, and hierarchy influence how people understand and interact with information. Working with digital assets has strengthened both my technical ability and my creative confidence.

I am motivated to continue learning, refining my design process, and producing work that is both visually compelling and purposeful. I value collaboration, constructive feedback, and continuous improvement, and I am excited about opportunities that allow me to grow as a designer while contributing meaningful work.

Thank you for your time and consideration. I look forward to the opportunity to further develop my skills and contribute through thoughtful and effective design.

Sincerely,

Maliyah Ross

Thank You

Thank you for taking the time to review my work. This portfolio reflects my development as a designer and my commitment to creating visual solutions that are both thoughtful and impactful. Each project represents my dedication to improving my technical skills, exploring creative direction, and building work that communicates clearly and purposefully.

My personal brand, MR, combines movement and balance with a subtle hibiscus influence to represent growth, identity, and forward progress. The work in this portfolio reflects my interest in strong composition, confident typography, and intentional design choices that connect concept to execution.

I am continuously learning, refining my craft, and seeking opportunities to create meaningful design across different industries and mediums.

Thank you for your time and consideration.

About Me

Phoenix Suns

Task / Problem
Create a high-impact promotional graphic for a basketball game that captures attention quickly and communicates essential game information in a clear visual hierarchy.

Resolution
I designed a bold Game Day poster using strong typography, dramatic lighting, and warm color contrast to create energy and movement. The layout emphasizes readability while maintaining a modern sports aesthetic. The design system was adapted across multiple digital formats to demonstrate consistency and versatility for real-world campaign use.

Built By Faith

Task / Problem
Create a typographic brand piece that communicates a personal identity in a clear and visually compelling way without relying on imagery.

Resolution
I developed a bold typographic composition centered on the phrase “Built by Faith” to express discipline, confidence, and resilience. Repetition was used to create rhythm and reinforce the brand message, while strong hierarchy ensures the primary statement remains the focal point. The minimalist color palette allows the typography to carry the visual impact.

Dick’s Sporting Goods

Task / Problem
Develop a series of promotional graphics that communicate motivation, performance, and consistency while aligning with an established athletic retail brand. The challenge was to create visually engaging layouts that highlight products and inspire action, while maintaining strong hierarchy and brand consistency across multiple formats.

Resolution
I created a cohesive set of promotional graphics that combine bold typography, energetic imagery, and clear messaging to encourage confidence and commitment in training. Each layout was
